

Outpatient-Only Psychiatrist to Join Expanding Behavioral Health Program in Highly Desirable Marin County

At MarinHealth, we empower our providers to practice medicine the way it was meant to be – putting patients first. We bring a culture of collaboration with resources, support, technology, and state-of-the-art facilities that enable our physicians to remain focused on caring for people. We are an integrated healthcare enterprise made up of MarinHealth Medical Center and MarinHealth Medical Network. This collaboration has created an integrated, comprehensive healthcare resource all under the banner of MarinHealth. Physicians and providers work in partnership through a single electronic medical record that facilitates the coordination of care and fosters excellent communication between providers about their patients. Our strategic alliance with UCSF provides advanced care and special programs in the MarinHealth Medical Center, and all of the MarinHealth Medical Network clinics and providers are also part of UCSF Health.

MarinHealth Behavioral Health Services

MarinHealth is Marin County's leader in behavioral healthcare, assisting patients in understanding, coping with, and managing their behavioral health issues. MarinHealth's seasoned treatment team is composed of psychiatrists, physician consultants, registered nurses, and licensed vocational nurses, licensed clinical social workers, licensed psychiatric technicians, mental health counselors, occupational therapists, nutritionists, and other allied health professionals. These experts collaborate to integrate each patient's personal goals into a treatment process that focuses on skill building, recovery, and wellness. MarinHealth Medical Center's Behavioral Health Department, accredited by the Joint Commission, offers the following programs for adults 18 and older:

- Outpatient Psychiatry Clinic for Children, Adolescents, Adults and Older Adults
- Intensive Outpatient Program for Adults and Older Adults (with IOP for Adolescents coming soon)
- Partial Hospitalization Program for Adults and Older Adults
- Inpatient Unit (17 beds) – the only secured mental health facility in Marin County
- Inpatient Consultation Liaison Services
- Electroconvulsive Therapy Services

The Medical Center's inpatient and outpatient services offer crisis intervention, evaluation, and treatment 24/7, 365 days a year. In addition to psychiatric care, patients receive full medical services from the caring and committed Behavioral Health team. The program is continuing to expand with additional offerings to serve the needs of the community through a variety of outpatient-based programs.

The North Bay: The Perfect Place To Live And Work

More than just a place, the North Bay is a state of mind. One that lives in all of us who love the land — and the lifestyle — available right out the front door. As often as we can, we walk, run, hike, bike, swim, or paddle, taking in the natural beauty of all that surrounds us. And somewhere between the beaches, the bay, Mt. Tamalpais, and the redwood forests, we find balance, energy, and inspiration. Put simply, the North Bay is transformative and healing. It's a beautiful place you can call home. You can choose to live in San Francisco, Marin, or Sonoma County.
